When the wolf discovers that his underwear is in a terrible state, he decides to work hard to buy the latest fashionable model.

Three little pigs call out to the wolf. "Wolf, are you there? Can you hear me? What are you doing?" The wolf is trying to get dressed, but realizes his underwear is full of holes. Off he dashes to the shop to buy another pair. Red, with lace and pigs printed on it, hand-embroidered with pretty golden thread... There is no shortage of underwear, but it's also very expensive. And the wolf has only a single coin in his pocket! But the salesman offers him a job in exchange for the undergarments of his choice. The wolf sets to working hard, huffing and sweating as the three little pigs look on, mocking and taunting him. A funny story that thwarts all the usual expectations!
