Just what do parents get up to when their children are at school?

Just what do parents get up to when their children are at school? Maybe they go back to bed. Unless they're out having fun all day? Or do they work?

*Meanwhile, Mrs. Mouse is busy baking bread. Meanwhile, Mr. Mouse sells it. Meanwhile, Mr. Rabbit reaches his office. There he is, talking on the telephone! Meanwhile, Mrs. Bear has settled into her chair and is about to open her laptop. Watch out for the coffee!*

Through a gallery of characters, Malika Doray gives us a glimpse of what grownups do all day. They might have tons of things to do, but they never lose sight of what's most important...
