A sweet story about overcoming your fears and anxieties.

Fawnett, the grocer of Saint-Amour-les-Clapotis, decides to travel the world on her sailboat. "Fancy that!" the villagers think as they watch her leave the harbor. But in truth, they are worried: the grocery store is where everyone meets to chat. And enjoy delicious chocolates. In Fawnett's absence, her brother Bucky tends to the store, but the villagers fear he'll never replace his charming sister. And Bucky is so terrified of not being up to the task that he keeps making mistakes... until one day, the worst happens: he runs out of chocolate! Bucky has no choice. He closes the grocery store and flees into the forest... but the villagers come to his rescue!
