Work Killed Me

Authors: Arnaud Delalande (Script writer) - Hubert Prolongeau (Script writer) - Grégory Mardon (Drawings)

Publisher : Futuropolis

Category : Comic Books and Graphic Novels

Genres : Non-Fiction

Keywords : Investigation - Career - Amputation - Attachment - Observation

A terrific fictional investigation into workplace malaise.

Based on a true story, the book traces the trajectory of an automotive engineer who watched his life deteriorate when his professional career was undermined by a dehumanized hierarchy. After a lengthy investigation, authors Prolongeau and Delalande spin a fictional tale of how harassment is systematically implemented on an institutional scale at all levels of the hierarchy, forcing employees to perform at maximum capacity and sometimes even driving them to commit irreversible acts.
