"Discover new horizons hidden across Europe. Set sail for adventure to paradisiacal, untamed spots in the North Atlantic and the Mediterranean."

Want to weigh anchor and cast off? Feel far away from home without hopping on a plane? Navigating seas and oceans? This book is for you! It details 50 little-known European islands. Unlike such hot spots as Capri, Santorini, and Ibiza, these hidden treasures promise getaways like no other, far from crowds but just as rewarding! Wild or inhabited, they hold wondrous beaches, creeks, charming little ports, volcanos, mountains, dunes, cliffs, marine preserves, shimmering blue and azure waters... Infinitely varied landscapes at every latitude, from the Norwegian Sea to the Aegean, the Atlantic to the Baltic.
