A drama set in the mountains of Iranian Kurdistan.

Eastern Kurdistan is located in northwestern Iran, along the Iraqi border. Criminal organizations exploit villagers there, forcing them to run smuggling operations between the two countries, carrying goods along lethally dangerous paths, resulting in several dozen deaths a year from Iranian border guards, anti-personnel mines, and avalanches. Jalal the "Engineer" is recruited to take part in one of these expeditions.

This title is nominated in the Official Selection of Angoulême Festival 2024.
