A manga about differences at school.

This is a story about the love between two schoolkids, Kyonosuke and Akira, in a little village in the Japanese countryside. Kyonosuke has had a skin graft to his face, leaving it permanently scarred, and has to put up with constant bullying, while Akira, his classmate, is beaten by her father for saying she wants to be a girl. When they meet and fall in love, they decide to escape their toxic environments. But are they strong enough to accept each other, and themselves, as they are?
