The University of Goats

Author: Christian Lax (Script writer/drawings)

Publisher : Futuropolis

Category : Comic Books and Graphic Novels

Genres : History

Keywords : Plea - Femininity - World

Christian Lax returns with a book that makes a stirring case for education.

From Afghanistan to the United States, from the 17th century to today, obscurantists have always rejected schooling. In this amazing tale of anger and generosity, beauty and love, Christian Lax takes a stand for a highly protected school, one that emancipates and liberates its students.

This book speaks out against the weapons, fundamentalism, and ignorance that want to kill off education.
