Authors: Christian Demilly (Text) - Alice de Nussy (Illustrations)

Publisher : Grasset Jeunesse

Category : Children's Books

Genres : Picture Books - Babies/Toddlers/Board Books

Keywords : Philosophy - Growing up - Environment

A clever pop book for learning to count while opening up to the world and relationships with others.

Are we close, tiny or giant, up or down, first or last, somewhere or somewhere else... Illustrated with circles, the numbers tell us a story: they are enriched by the way they meet and complement each other. A book for little hands and a colorful stroll that sheds light on our relationships with others and the world.
