Meet Dust, the small, very small witch who lives in the forest of tiny things! With mischief and kindness, Dust solves problems both big and small.

A cracked shell, a damaged wing, tear-inducing heartache? Quick, the inhabitants of the forest run to Dust! When—what a catastrophe!—three mushrooms lose their caps, Dust flies to help them on her dandelion broom. A pinch of roots, a glass of flea saliva, a drop of night-dream... the potion is ready. Each mushroom has a pretty and crazy cap once again! Mission accomplished for Dust!
