Emotion after emotion, the whole world unfolds through the eyes of a toddler. A book with a clever, gentle, and sweet sense of humor, just like a hug!

When you're little, the world is a kaleidoscope of feelings: sometimes funny, sometimes unfair, sometimes sweet, sad, tiring, or simply beautiful... There are so many feelings in a single day! An approach and style perfectly adapted to children, enabling each picture to create an instinctive and irresistible emotion for readers (children and parents alike!)
