Is Psychoanalysis Over?

Author: Elsa Godart

Publisher : Albin Michel

Category : Humanities and Non-Fiction

Genres : Psychology/Psychoanalysis

Keywords : Psychoanalysis - Beehive

In this book, Elsa Godart dusts off psychoanalysis to adapt it to contemporary challenges.

The contemporary world is no longer that of Freud or Lacan. Psychoanalysis must confront new new behaviors in a new society in order to rethink the framework of therapy at a time when time itself is accelerating and demands for success and efficiency beset us at every level. Psychoanalyst and author Elsa Godart holds a PhD in philosophy and psychology.
