## Just Geopolitics

Understanding the World and International Relations

---

Authors: Anne Sénéquier - Pascal Boniface

Publisher : Eyrolles

Category : Humanities and Non-Fiction

Genres : Geography/Demography - History - Political Sciences

Keywords : Geopolitics - International - Current events

---

An illustrated, pedagogical, and playful introduction to geopolitics and international relations.

Every day, international news stories prove that events from outside our borders are not really foreign to us. Featuring evocative drawings, archival photos, and detailed maps, this book offers an entertaining and original approach to current events. Drawing on a dynamic page layout, each chapter will enable you to get informed, depending on your level of knowledge and your degree of curiosity.
