Keywords : Palestine - Green line - Health

The archetype of a border city, is Jerusalem doomed to remain suspended in time?

Jerusalem is one of the rare cities to house so many contrasts, one of those places where it's challenging to "move on from the past," where the old is not only subject to memory, but also to protest. At the heart of this nearly centenary conflict, desired by Israelis and Palestinians in an unbalanced dynamic of power, Jerusalem is a city simultaneously divided and claimed by both nationalisms and monotheisms.
