Unaffordable Energy

The Underside of the Crisis

Author: Aurélien Bernier

Publisher : Éditions de l'Atelier

Category : Humanities and Non-Fiction

Genres : Economics

Keywords : Energy - Environment - History

A rigorous and lucid account of the true reasons behind the energy crisis.

How did all this happen? How can we fix it? This book provides an in-depth analysis of just what led us to our current worrisome situation as well as possible ways to reinvent our public utility services.
