

## The Weight of Social Class

60 Editorial Cartoons

Author: Thomas Piketty (Preface)

Publisher : Gallimard Loisirs

Category : Art

Genres : Graphic Design/Illustration

Keywords : Inequality - Economics - Press - Cartooning for peace

60 editorial cartoons illustrate inequalities all around the world.

While the number of people living below the poverty line has fallen significantly in recent years, the gap between the living standards of the poorest and the richest continues to widen. Economist Thomas Piketty highlights the decisive role of institutions and public policies in combating the ideology of inequality.

Selected by Cartooning for Peace, these *60 Editorial Cartoons* provide an international overview of the economic and social inequalities of our time.
