A new series full of cute animals! Shamal is a solitary mole, whose peace and quiet are disturbed when a little hedgehog bursts into her home.

In the heat of the day, Shamal moves into a sand igloo. Every evening, she opens her herbarium and gazes at her favorite leaf: the purr leaf. One night, there's a creak at the door... It's Bora, who bursts in like a gust of wind and rolls right into Shamal's bed! Bora sings, wiggles, and imposes herself on Shamal's well-ordered life. The mole isn't exactly pleased. They'll have to learn to get along, but living together can be tricky... How can you strike a balance when you're so different?
