George is ready to face anything if it means he can sleep in! Even battling a dragon.

George wakes up to the sound of battles and warfare. He grumpily jumps onto his horse to have a word with the stubborn monarchs who started this war. He's confident he can sort this out. His trusty weapon is not a blade, but a magic guitar that defeats all his enemies! He's not known as George Hairysson, the knight rocker for no reason!
