A collection of tender albums with an audio version to gently help your child accept themselves as they are!

Sam doesn't like nettle jelly or the itchy sweaters his grandmother knits. But if there's one thing he loves more than anything in the world, it's dressing up as a princess. Sam loves pretty dresses and fairy wings. A petticoat that twirls, and he's in seventh heaven! But this isn't to everyone's liking...

In the Forest of Friends, everyone has their own tastes, their own temperament, and their own little quirks. Everyone is different... and that's perfect!
