A magnificent heroic fantasy saga starring an extraordinary heroine.

Our heroine Ascane has the power of communicating with the legendary unicorns of a mythical land. Bold and strong-minded, she asserts herself in a world of men, crosses through hostile territories, and thwarts narrow-minded attempts at revenge. The first two novels in this trilogy have been released.

Ascane has been chosen to become a unicorn tamer in the Kingdom of Wideland. But Seber, the Master Unicorn - Tamer, does not want a girl among his apprentices. To ensure her failure, he assigns her to a savage unicorn, a furious and wounded male. In the second episode, Meteor, the unicorn now allied with Ascane, comes to seek her help: his tribe has been kidnapped by the Kingdom of Wideland's enemies. The king's unicorn tamers, lead by Master Seber and his mage, go looking for them. Along the way, they will have to confront the people of the Forbidden Enclave, escape a Soul-Breaker, and defeat the villainous king of the Kingdom of Kaltesland.
