A picture book for the very youngest readers, interactive and playful, from a new board book imprint.

This is Romeo. That's right—he's looking at you too, and if you wave to him, he'll wave back. But if you stick out your tongue, watch out! Why not trying blowing him kisses instead? This funny, playful, and interactive picture book from the mind of the talented Edouard Manceau teaches children the basics of communication through gestures and facial expressions.
