Talented Italian cartoonist and illustrator Lorenzo Mattotti's vivid paintings perfectly complement Collodi's slapstick text.

Eisner Award winner Lorenzo Mattotti pays tribute to the famous wooden puppet, Pinocchio, with an impressive display of color paintings and black-and-white illustrations. His amazing artwork, along with sketches and preliminary drawings, accompanies Collodi's cheeky, delightful words, resulting in a classic tale uniquely retold. "Mattotti is a master. It's obvious at a glance. His colors are music you can't help but dance to." ~ Craig Thompson
