Forty portraits of women from every continent who have left their mark on history! Artists, activists, scientists, and more...

Discover 40 portraits of women from different backgrounds who have shaken up the world and left their mark on the 20th century! Whether activists, artists or scientists, these women freed themselves from the shackles of their time so that their voices could be heard, and society could change. This book pays tribute to them, reminding us of their struggles and encouraging us to dare.
