A poetic and delicate album that introduces children to the wind, the invisible force that moves the world.

Who am I?

I am born in the beating of a butterfly's wings. I make leaves rustle, windmills turn, kites fly, and sails billow as ships return to port. Who am I? I am the wind!

A minimalist and contemplative album, with gentle and elegant illustrations, inviting us to discover the wind – that invisible breath that sets the world in motion, shapes journeys, and whispers into the ears of nature and humankind.
