The new must-have book by Hervé Tullet! A flap book full of surprises: marvel, have fun, and play using your hands!

A flap book full of surprises: marvel, have fun, and play using your hands! The young reader's hand is invited to follow a line, lift a flap, turn a page, wave hello, tap, stroke, and draw. In the process, reading becomes interactive and utterly delightful! With this book, Hervé Tullet delivers an album that reimagines how to make art accessible to the youngest readers of all.
