Castille is no ordinary princess. Castle balls, charming princes, and armies of seamstresses: that's her worst nightmare!

Castille is no ordinary princess. Pink annoys her, and unicorns and kittens don't impress her one bit. What she loves is looking after Farmer Mathurin's pigs, dirtying her dress, and splattering her pretty boots with muck. Stories with lace, a few little farts... and a good dose of freedom! With her strong-willed personality, Castille proves that a princess can eat with her fingers, smell bad, and still be a true princess with a big heart!
