

At Night, Everything Is Alive...

Authors: Cécile Benoist (Text) - Barroux (Illustrations)

Publisher : Kilowatt

Category : Children's Books

Genres : Non-Fiction Children's Books - Picture Books

Keywords : Night - Environment

The night is alive!

What happens at night, while we're asleep? Inside our bodies, in our brains? What are cows, earthworms, lions, or whales doing? And the cypress or the moonflower? Why does the sky change color? What are shooting stars? Is it nighttime everywhere on the planet at the same time? And for that matter, does everyone sleep at the same time? At night, life goes on!
