A walk through the seasons, full of play and movement.

In this wordbook, a child experiences the four seasons, with all senses on high alert. Jumping, falling, blowing, gathering, building: each season is associated with eight verbs that relate to the child and her surroundings. The woodpecker and the sun strike hard, gusts of wind blow, lightning flashes in the summer, night falls in the winter... An invitation to go outside, look around, touch, and feel, capturing the grace of childhood in a lively way.
