

## The Christmas Village

Seek and Touch

---

Author: Marine Coutroutsios (Illustrations)

Publisher : Sens Dessus Dessous

Category : Children's Books

Genres : Activity/Game Books

Keywords : Sensory book - Christmas

---

On each double-page spread, the child is invited to search for and touch a variety of elements in the magical world of Christmas.

An incredible sensory challenge that encourages hours of active "reading," perfectly suited to children 3 to 6. Touch-based interactions that allow for self-correction, thoughtfully adapted to the cognitive abilities of this age group.
