An original and innovative book – part coffee-table book, part cookbook, part non-fiction guide – to explore mythologies while enjoying delicious food!

In this delightfully joyful volume, dive into the kitchens of the gods from the world's most famous mythologies. With each recipe, a god or goddess leads us behind the stove and, along the way, shares plenty of anecdotes about their pantheon or its culinary traditions. 40 family-friendly recipes and DIY activities accompany each major section, divided into 6 chapters: Greek Mythology, Egyptian, Norse, Japanese, Hindu, and Incan.
