No matter how hard the journey, as long as it ends in happiness...

Tanie never puts things off. Always in motion, overflowing with projects, she makes the most of every moment. Marc, her husband, struggles to keep up. Sometimes, he feels like she's the locomotive and he's just the caboose.

And yet, Tanie lives with a disability: she is visually impaired. In Her Eyes is a heartfelt portrait of the everyday – and seemingly ordinary – life of a couple, in which the wife has found the strength to fully embrace everything life has to offer.
