A Viking warrior never gives up!

Skara is a young Viking who was born with a rare and divine gift – the Wolf's Gift – which makes her a formidable warrior. After her mother's death, she accidentally sets fire to a sacred temple of Odin, opening the gates between the Nine Realms and unleashing monstrous creatures from the lower worlds onto Midgard. The only way to atone for her mistake is to hunt these evil beings herself. Thus begins an adventure worthy of the great Norse sagas!
