Let yourself sink into the tender, mouth-watering, poetic, nostalgic and 100% cosy world.

In her newest book, Caro From Woodland has carefully selected 80 sweet recipes from her childhood, enhanced them with watercolour illustrations and enriched them with anecdotes. Presented according to their season, these recipes are easy to make, totally delicious and irresistibly nostalgic. Their specificity is being 100% illustrated, plunging us into the author's poetic, gentle universe, with an Anglo-American inspiration that has contributed to her success. Here, readers will find: her personal favourites, as well as many totally original recipes.
