

On Trial for Zoonoses

Authors: Frédéric Keck (Script writer) - Héroïse Chochois (Drawings)

Publisher : Delcourt

Category : Comic Books and Graphic Novels

Genres : Non-Fiction

Keywords : Pandemic - Animals - Zoonoses

A work of popular science that invites us to rethink our place among other species and question human responsibility in the emergence of disease.

A major animal trial has begun to determine who is responsible for pandemics. The bat, the pangolin, and the monkey all claim their innocence. What if the guilty party was actually... humans? Intensive agriculture, factory farming, and rampant urbanization favor the emergence of the very diseases we fear.
