The Hidden Side of Poor Housing

Investigation into Marginal Housing

Authors: Pascale Dietrich-Ragon (Edited by) - Marie-Albane Loison (Edited by) - Manuel Domergue (Preface) - Christophe Robert (Preface)

Publisher : INED Éditions

Category : Humanities and Non-Fiction

Genres : Sociology

Keywords : Poverty - Housing - Inequalities

An immersion into the lives of those forgotten by the housing system.

In France, as in many other countries, increasing numbers of men and women live in situations of extreme housing insecurity. What trajectories have pushed them to the margins of ordinary housing? How do they endure and adapt? Based on interviews conducted during multiple surveys, this book sheds light on lives rarely seen, offering an intimate portrait of everyday survival on the edges of the housing system.
