Genres : Picture Books

Keywords : Mental health - Difference - Love yourself

Love yourself just the way you are!

A grey elephant doesn't like the way he looks, and dreams of changing himself. He imagines having a hedgehog's spikes, a pig's curly tail, a cow's spots, a giraffe's long neck... even a lion's mane! But will all these fancy additions keep him from seeing how great he already is? This book about different animals teaches children to love themselves as they are.
