A book for developing fine motor skills and manual dexterity, based on Montessori teachings.

One, two, three! It's time to give our fingers a workout. This athletic program serves up a turbocharged gym session... without your ever having to leave the comfort your seat! Warm-ups, jumps, climbing, stretching (lengthwise and widthwise!), balance... and to round things off, a quick and well-deserved massage at the end! Designed for developing fine motor skills and manual dexterity (vital for infants), this book offers a playful, intuitive, and progressive journey to be read... with your fingers! A book like no other!
