Being a Boy

Masculinity Against the Tide

Authors: Karim Ouaffi (Text) - Mikankey (Illustrations)

Publisher : Éditions du Ricochet

Category :

Genres : Young Adult

Keywords : Masculinity - Mental health - Friendship

Being a boy. Behaving like a guy. Fighting like a man. But in the end, what is being a boy really all about?

Masato, Youri, Feti, Antoine, and Rose are in the same class. They know each other, they're friends, and yet they each experience their masculinity differently. As we immerse ourselves in their teenage lives, we encounter all the facets of their personalities. Somewhere between a comic book and a thoughtful guide to masculinity, *Being a Boy* helps teens—boys and girls alike—as they glimpse a world where boys are finally free to break out of the boxes to which society has confined them. In such a world, they would be free to express their feelings and who they really are.
